Time Management and Planning

College schedules are often self-directed, which can be both liberating and overwhelming. Effective studying requires disciplined planning.

- **Prioritize Tasks:** Use tools like planners or digital apps to schedule study sessions, assignment deadlines, and exams.
- **Break Down Large Tasks:** Divide big projects into manageable chunks to avoid last-minute cramming.

- Spaced Repetition: Revisiting material at increasing intervals to reinforce long-term memory. Apps like Anki or Quizlet facilitate this process.

Expert Tip: Incorporate flashcards and self-quizzing into your routine for maximum benefit.

Mastering Time-Management Tools

Leverage digital tools to stay organized:

- Calendar Apps: Google Calendar, Outlook
