Design and Portability

Size and Build Quality

One of the defining characteristics of the Harrap's Dictionnaire Compact Allemand is its portability. The dictionary typically measures around 10 x 15 cm (4 x 6 inches), fitting comfortably into a bag, backpack, or even a large pocket. Its lightweight construction—usually weighing under 300 grams—makes it easy to carry around all day, whether you're commuting or traveling abroad.

The cover is sturdy, often made of durable plastic or laminated cardboard, designed to withstand frequent use. The binding is secure, preventing pages from loosening over time, which is crucial for a book meant to be portable.

Layout and Readability

The interior layout emphasizes clarity and ease of navigation. Entries are organized alphabetically, with bolded headwords for quick identification. The font size is sufficiently large to read comfortably, even in less-than-ideal lighting conditions. Margins are generous, allowing space for handwritten notes or highlighting.

Icons and color coding are employed to distinguish between different types of entries:

- Standard words are listed plainly
- Idiomatic expressions are marked with a specific icon
- Usage notes are italicized or in a different color
- Proper nouns are indicated separately

This thoughtful design minimizes the effort needed to find information swiftly, which is especially helpful during conversations or exams.
